

Sekolah Pelita Harapan Lippo Karawaci
10th Anniversary

A decade.... is not too short for Sekolah Pelita Harapan to educate future leaders, developing good character, strong faith, broad knowledge and skills

A decade.... is not too long to develop an international curriculum taught by dedicated teachers

A decade.... is now, the moment to support us in facing new challenges, to ensure a positive direction for future education in Indonesia.

Preface

Sekolah Pelita Harapan-Lippo Karawaci has existed for ten years.

As part of the celebration, we are holding various competitions for TK to SMU students, giving students the experience to use their knowledge and skill.

Workshops or seminars for certain competitions will be given to enrich the knowledge of students and teachers.

Goals

1. Celebrate the Sekolah Pelita Harapan 10th year anniversary.
2. Provide opportunity for students to use and explore their capabilities, creativity and skills.
3. Provide opportunity for students to widen their experience through competition.
4. Participate in developing a quality education in Indonesia.
